

2020 Elite Program

3-6-20

Re: Elite Programming

To All Tennis Players,

For the third year the elite program will run out of Hawken School, Upper Campus. This is an advance opportunity to sign up for the program. There are 8 spots available at 2:30, 3:30, 4:30 and 5:30 Monday -Thursday starting June 8th and running 7 weeks to July 23rd. The cost per elite is \$30.00. To reserve a spot email me at bsmal@hawken.edu to request your time(s). Each spot is one hour although many players book multiple hours per day and per week. The available times will be given out based on a first come first serve basis.

Last year we filled 738 hours of elite programming and I would encourage all of you to sign up early to reserve your spots. I have been running this program for the past 14 years and it fills up very quick. I am giving past participants an opportunity to sign up until March 15, at that point I will open up registration to the public. This year we are requiring payment in advance to secure hours for our many talented instructors. The program will also be implementing a 24 hour cancellation notice so that we have the opportunity to fill your spot from our waiting list of people.

As many of you know there is no other program like this in the city of Cleveland. All elites are taught by current or past collegiate tennis players and/or highly ranked players to ensure the highest quality of high-level live ball coaching to all of our tournament and advanced players.

Along with your confirmation of times, I will also be emailing you a detailed statement regarding charges. Make-ups due to rain, illness or tournament interference can be arranged as well. If you have any questions, feel free to contact me at 216-339-5911.

We look forward to seeing you all on the courts!

Sincerely,

Brian Smallwood
Hawken Boys and Girls Head Coach
