hrs prior to league
play via text
216-618-4767*

FORMAT/RULES

USA Pickleball rules apply.

- Groups will be posted at club prior to start time. Players will be grouped by total wins each week. Standings will be posted weekly.
- Each player will play for 18 minutes in their assigned group, keeping track of total points won/lost per game. Players who win will move up a court and split, players who lose will move down a court and split. This will continue for 6 rounds. The players with the most points will move up in rank each week, with the goal of becoming player #1.

PLAYOFFS: The top 8 players will move to playoffs. Playoffs will be standard games to 11, win by two, single elimination.

Must have basic pickleball experience to register.
