YELLOW BALL PROGRAM

13 & OVER

Our unique Junior Tennis Program helps players develop all facets of their games.

Beginners through tournament level players will participate in activities that develop well-rounded athletes.

Players will

- practice and learn **skills** and **proper technique**
- participate in **live ball drills** and play
- develop **technical and tactical** elements to gain a mental advantage, maintain focus, cope with pressure and develop a **positive approach to competition.**

The following supplemental activities are available for juniors seeking to enhance their athletic performance.

STRENGTH & CONDITIONING

Fitness, strength, mobility and balance training prevents and reduces injuries, improves strength and endurance.

SPEED, AGILITY & MOVEMENT TRAINING

Players develop coordination, balance and footwork skills.

Contact Bojana at 440-915-4316 to learn more.
